

As the Governor begins to relax restrictions regarding the opening and operations of businesses in our State, we too are moving forward to once again offer lobby services. Our top priority is to you, our customers and to our staff. As we continue to work through the planning stages of re-opening our lobbies, everyone's health and safety is at the for-front of our efforts. Our team has been working on providing the safest and most secure experience for our customers and as you can well imagine, many things must be considered prior to making the commitment to re-open. In the meantime, our drive-up windows will continue to offer all banking services and appointments may still be scheduled should you need a more specific service. As we know more about when and how our lobbies will re-open, we will make sure to communicate those plans with you. We thank you for your continued patience and loyalty and we look forward to seeing you all again in person soon!

Sincerely,

Christopher Skaalen, President/CEO
and all of us at First Southeast Bank
